PATIENT PREPARATION

Please bring any previous X-rays or scans of the area we are to study.

- MRI**
- Relax and go about your normal daily routine.
 - Eat normally (unless instructed otherwise).
 - Take medication as usual (unless instructed otherwise).
 - If you have any metal or medical devices in your body, please contact us.
 - Remove eye makeup for head or orbit exams.
 - Plan to arrive at the center 15 minutes prior to your scheduled appointment.
 - You will be asked about your medical history.
- You will be told about the scanning procedure.
 - Remove any metallic objects, such as jewelry, hairpins, glasses, wigs (if any metal clips) and non-permanent dentures.
 - You will change into scrubs.
 - The technologist will help you onto the scanning table.
 - You will lie on your back with your head and arms made comfortable.
 - During the scan, you will hear knocking noises.
 - When the scan is finished, the images will be reviewed for quality. If more images are needed, you will be contacted.
