

WE BRING BRILLIANCE TO HEALTH & WELLNESS

For over four decades, **RAYUS Radiology**, formerly Center for Diagnostic Imaging (CDI), has continually delivered the highest standards for health and wellness with state-of-the-art technology and a dedicated team of leading subspecialists. **RAYUS** is revolutionizing radiology while building a nationwide presence to ensure the broadest access to quality care.

RAYUS Radiology is one of the nation's leading subspecialty practices for advanced diagnostic and interventional radiology, with a growing network of imaging centers, hospital partnerships and short- and long-term hospital solutions. With over 3,000 team members nationally and over 800 affiliated radiology subspecialists, **RAYUS** is committed to delivering clinical excellence in communities across the United States through compassionate, safe and cost-efficient care with a focus on superior service to referring providers and patients.

Our clinical research offers clinical trial diagnostic and interventional imaging services to sponsors, academic institutions, community physicians and private research companies efficiently and with the highest level of quality.

- Scheduling team to ensure study patients are within windows
- Internal QA/QC to ensure scans are completed the right way the first time
- Data processing and upload within 24 hours of scan
- Query resolution
- Compliant with GCP, HIPPA, IATA and FDA regulations
- Board-certified and fellowship-trained radiologists
- Experienced technologists and nurses

- Liver Imaging: MR elastography (MRE), Liver Multiscan, MRI PDFF, Fibroscan
- Brain Imaging: MRA, ASL, DTI, fMRI, NM MRI, Perfusion studies
- NeuroQuant Volumetric MRIMS
- Prostate Imaging
- MRI 1.5T and 3T
- PET/CT
- Nuclear Medicine
- DEXA
- Mammography
- Ultrasound
- Interventional Radiology
- X-ray

With a passion for innovation and a drive to inspire, **RAYUS** looks forward to expanding its geographical footprint and advancing the standard of medical care for all patients and providers through its cutting-edge clinical research efforts and by continuing to shine a light on the importance of high-quality and easily accessible diagnostic imaging options for all communities across the country.

RAYUS RAP

IS AN OFFICIAL MEDICAL DEVICE

1125K

2020 CDI expanded to Utah by acquiring **U.S. MRI and Open Imaging**, advancing the company as the official medical provider for **U.S. Ski and Snowboard, U.S. Speedskating, and U.S. Bobsled and Skeleton**.

2021 CDI Rebrands to **RAYUS Radiology**, a significant milestone in the company's 40-year history.

RAYUS added **21 centers and over 100 Radiologists** with the acquisition of **InHealth Imaging, Sand Lake Imaging, Diagnostic Centers of America and Foundation Radiology Group**, providing physicians and patients a full spectrum of imaging service options.
