

THE RIGHT MRI FOR EVERY PATIENT

WE BRING BRILLIANCE TO HEALTH & WELLNESS

OFFERING A WIDE VARIETY OF MRIs TO ACCOMMODATE EACH PATIENT'S UNIQUE NEEDS

CHOOSING THE RIGHT MRI FOR YOUR PATIENT DEPENDS ON MANY FACTORS

These factors can include: area of the body being scanned, your patient's weight and girth, if your patient is claustrophobic, and center location preference.

See our MRI options on back.

OUR IMAGE QUALITY GUARANTEE

Subspecialized radiologists have developed custom protocols for each scanner, ensuring the best image quality is obtained.
