

OUR BREAST IMAGING NURSES

As Breast Imaging Nurses, we provide support, resources and the knowledge necessary for you to make informed decisions regarding your health. We will work with you and serve as a liaison between you and your doctor to coordinate your needs across the continuum of breast care services.

We are dedicated to raising awareness and knowledge around breast cancer prevention, risk reduction and emphasizing the life-saving value of regular screening mammograms in the early detection of breast cancer.

For those confronting a cancer diagnosis, our team is committed to providing guidance on your road back to wellness and recovery.

JOAN BINK
RN, BSN

Joan brings over 30 years in nursing and 23 years of breast imaging to our team. She is passionate about helping patients along their breast care journey.

LAARA POMMERENING
RN, BSN, CBCN

Laura has 20 years of nursing experience taking care of women, specializing in labor and delivery for over 14 years. She has an ardent dedication to women's health and guiding them through their journey towards well-being.
