

YOUR PARTNER IN CHIROPRACTIC IMAGING

WE BRING BRILLIANCE TO HEALTH & WELLNESS

WHEN YOU NEED IMAGING TO GUIDE YOUR PATIENTS' CARE, YOU WANT A PARTNER YOU CAN TRUST

Getting the right exam at the right time can help you make informed clinical decisions to best guide patient care. When you refer your patients to RAYUS Radiology, you're choosing a partner who delivers the answers you need to help them on their journey to wellness.

WE OFFER

Specialized board-certified radiologist partners who personally interpret your patients' exams and are available to consult with you directly

Tailored protocols to meet your patients' unique needs, including:

- Weight-bearing imaging

- Flexion/extension imaging of the cervical and lumbar spine for a more detailed diagnosis

Convenient evening and weekend appointments for MRI and CT

Accept letters of protection for patients working with attorneys on an active claim

In-house insurance specialists that handle pre-authorizations, with expertise in billing for L&I (workers' compensation), PIP and most insurance plans

Easy and quick access to reports, images and online ordering at insideRAYUS.com
